

Essential Services & Connections

Residents must ensure essential service accounts are registered under their name upon moving in order to avoid interruption of gas, water and electricity services.

Electricity & Water

Residents can contact their preferred provider to connect Gas, Electricity and Water Services.

On occasion providers have difficulty locating meter numbers. If this becomes an issue please contact your Building Manager to obtain your, electricity and water meter numbers. Space has been provided below to write them down. This will assist providers to locate your property address faster.

Electricity Meter Number: _____

Water Meter Number: _____
