

Insurance

Building Insurances

The Owners Corporation is responsible for insuring the building and common property. The building is currently insured with Longitude Insurance and the Policy number is LNG-STR-132015. For any enquiries please contact the insurance broker BAC Insurance Brokers on (02) 9360 2244

Other Insurances

The Owners Corporation insurance policy does not cover personal property and contents that may be damaged due to an insurable event such as a burst pipe damaging carpets, paint or furniture.

We strongly recommend that residents and owners seek advice from an insurance broker about what additional policies may be required such as contents insurance or landlord insurance in case damage is caused to the property by a tenant.

Below is a list of some insurance companies that may assist you further with advice or quotes:
